CMG-350

- Weight: 140kg
- General Dimen: H:970 B:1220 W:570
- Disc Dia: 330mm
- Rotation Speed At Disc: 150-330rpm
- Voltage: 230V
- Rated Current: 10.8A
- Power Source: 4Hp/1 Phase
- 3kW / 1 Phase

er machine is a powerful machine  
nt application. This machine is gener-  
material, it can be used for many different  
crete grinding, concrete polishing, epoxy  
removal, cement stain removal, adding  
s and grinding high spots.
